UTILITY MODEL PATENT CERTIFICATE

Utility Model Name: A Rechargeable Electronic Atomizer

Invention: NIKA

Patent No.: ZL 2022 2 3009733.0

Filing Date: January 1, 2026

Patent Holder: VapeGcc

Address: Al Qusais Industrial Area First, Plot No 22, Dubai, United Arab Emirates

Authorization Announcement Date: December 24, 2025
Authorization No: CN 218862910 U

This Utility Model Patent Certificate is hereby issued in accordance with the Patent Law of the People's Republic of China. The certificate is valid for the utility model named above, and the patent right shall be protected as stipulated. Any infringement of this utility model patent shall be investigated and dealt with according to law.

This certificate is valid in the territory of the People's Republic of China and grants the patent right to the holder for the specified utility model.
